Certified Information Systems Auditor (CISA)

Notice of Examination Results from Professional Examination Service
TESTED 11 JUNE 2005 - with Form 210190 English Version

Congratulations!
You were successful in achieving
a passing score on the CISA examination.

Your Total Scaled Score is 81

We are pleased to inform you that you successfully passed the 2005 CISA examination. You have now taken your first step toward becoming a Certified Information Systems Auditor. On behalf of the Information Systems Audit and Control Association (ISACA) we offer our congratulations for your achievement and we hope that you enjoy the many opportunities that await you.

SCALED SCORES OF YOUR PERFORMANCE BY AREA

AREA	Scaled Score
IS Audit Process	82
IS Management, Planning & Organization	87
IS Technical Infrastructure & Operational Practices	79
IS Protection of Information Assets	74
IS Disaster Recovery & Business Continuity	84
IS Business App. System Development, Acquisition, Implementation & Maintenance	78
IS Business Process Evaluation, Risk & Management	81

Your next step is to carefully read the enclosed Application for CISA Certification. If you find that you meet the experience requirements, please complete and return the application to ISACA with the appropriate supporting documentation. Please note that your present or prior employer must verify the work experience you submit on the Verification of Work Experience form included with the application. If you have not yet obtained the required experience, you have five years from the date of this letter to submit your completed application and supporting documentation.

Again, congratulations on your achievement. We look forward to you joining the ranks of current and new CISAs.
